# About CBIS Expo

The Ceramic & Bath Industry Show (CBIS) 2025, hosted by Emerald Worldwide Connections, is an ultra-exclusive event that allows you to showcase your latest innovations, cutting-edge technology, and superlative products in ceramic tiles, sanitary ware, and bath fittings.

More than just a fleeting experience, CBIS 2025 is set to be a gateway into the booming future of the ceramic industry, offering a unique platform to explore its vast potential. With the Indian ceramic tiles market poised for substantial growth, this presents an exceptional opportunity to engage with a sector on the verge of transformative expansion. Key drivers such as rapid urbanization, infrastructure development, and a growing focus on sustainable materials are fueling demand like never before. The expo will bring together top manufacturers, international buyers, and visionary designers, creating the perfect venue for stakeholders to connect, collaborate, and carve their paths in this thriving industry.

Don't miss the chance to gain early access to a future where ceramics are set to redefine design, functionality, and global markets!

# Ceramic Industry in India

## Morbi: The Beating Heart of India's Ceramic tile Industry

Nestled in Gujarat's Saurashtra region, is the powerhouse driving India's status as the world's second-largest producer of ceramic tiles. Home to over **1,500 tile factories** producing more than **80% of India's ceramics**, this vibrant district blends tradition with modernity. By combining centuries-old craftsmanship with state-of-the-art technology, Morbi delivers everything from vitrified tiles to porcelain slabs. Despite its scale and impact, the region remains an unexplored world of opportunities for innovation, investment, and collaboration.

**It's time to fully unlock this  
potential on a global stage at CBIS 2025!**

**Quick fact:** In **2022**, the global ceramic market was estimated to be worth **USD 239.53 billion** and is anticipated to rise at a **CAGR of 8.6% by 2027**. The Indian Ceramic industry will be valued at **USD 8 billion** which leaves a massive scope within the market for Indian manufacturers to foray into and service demand.
