ICC
GLOBAL
BUSINESS
SUMMIT

SUCCESS
REPEATS WITH
ICC GBS

The Unrivaled Gathering of Business Titans

The inaugural ICC Global Business Summit set a new benchmark for the decade drawing over 1200 participants, including top dignitaries, government representatives, visionary speakers, industry experts, and discerning buyers. Its unparalleled success established ICC GBS as one of the most noted and visited global business events, the nexus where ideas meet opportunity.

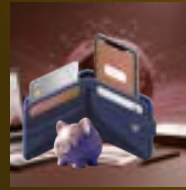

Why everyone is registering for ICC GBS 2026?

This is not just an event. It is a unique one-to-one business networking extravaganza, offering companies across the globe an exclusive gateway to cultivate partnerships at the highest levels. In a world racing towards innovation and collaboration, ICC GBS provides the most coveted meeting point for Indian and international businesses to join hands, exchange ideas, and spark transformative alliances.

Harness India's

investmentboom

India is on the cusp of a historic industrial revolution, fuelled by the Make in India initiative and Production Linked Incentive (PLI) schemes. These unprecedented investment opportunities make ICC GBS 2026 the quintessential platform for connecting global capital with India's thriving sectors, from manufacturing and technology to green energy and infrastructure.

Priority Sessions & Segments

- Chemical & Petrochemical
- Circular Economy & Water
- Creative Economy
- Defense, Aerospace & Space
- Educational Technology (EdTech)

Benefits of participation

Where Leaders Shape the Future

When you stand on our stage, you stand among ministers, chief ministers, top government officials and business titans – the architects of policy and commerce. ICC GBS 2026 brings together those who don't just talk about change – they make it. In ICC GBS 2026 your brand isn't in the audience. It's at the very heart of the conversation.

The Perfect Audience

We hand-pick delegates who represent the power blocks of Indian industry – CEOs, policymakers, tech visionaries, and investment leaders. The people in this room sign the deals & take the decision. As a sponsor, you sit at the right tables – every time.

23+ Sessions That Mean Business

This is not theory. This is business intelligence you can take to the bank – case studies from CEOs, civil society leaders, policymakers, and domain experts who have done the work. Your sponsorship places your logo against ideas that will be executed nationwide. Every insight here is a bridge between your brand and practical, real-world impact.

Conversations With the Changemakers

Climate targets, sustainability roadmaps, industry-wide transformations – these are the themes our thought leaders live and breathe. By aligning your sponsorship with these dialogues, your brand becomes part of the solution, not a spectator to the problem. This is where credibility is built in real time.

Fireside Chats That Build Brands

The warmth of conversation & insights – make the perfect stage for your brand story. Our fireside chats and keynotes allow sponsors to place their expertise where it matters: in front of decision-makers. This is more than visibility – it's memorability.

Networking That Pays Dividends

Our networking curated engagement with the people who actually decide budgets, policies, and partnerships. Picture your brand woven into drinks receptions, exclusive lunches, private roundtables, and workshops – it's relationship engineering for the next decade.

B2B Roundtables: Your Direct Line to Growth

Skip the queues and the cold calls. ICC GBS 2026's B2B roundtable format delivers targeted, face-to-face introductions to buyers, partners, and industry influencers. Reveal your product line, showcase your services, and leave with more than leads – leave with signed collaborations in the making.
