RAJPLAST 2025
AN INTERNATIONAL EXHIBITION
ON PLASTIC & AGRO INDUSTRY

GROWTH WITH SUSTAINABILITY

Mega Exhibition

Sept. **19** **20** **21** **22** 2025

📍 Jaipur Exhibition And Convention Centre, Sitapura, Jaipur, Rajasthan

RAJPLAST-2025 Poster Launch By Hon'ble Chief Minister,
Rajasthan, Shri Bhajan Lal Sharma

RajPlast, is one of India's largest international platforms for the plastics and allied sectors. The event connects key players across the value chain — from raw material producers, products and recyclers to machinery manufacturers, technology providers, exporters/importers, policy makers and other stakeholders.

A Gateway for business opportunities

Showcasing Innovation & Infrastructure

Enabling Policy-Industry Dialogue

Integrated Growth Ecosystem

An Effective Business Networking Platform

RajPlast: One Exhibition, Unlimited Potential.

Rajasthan, the land of opportunity and legacy, is rapidly positioning itself as a national growth engine. With abundant supply of skilled workforce, investor-friendly policies, expanding industrial corridors, presence of state-of-the-art Oil Refinery, proximity to major markets, the state has tremendous potential to emerge as plastic manufacturing hub to steer the inclusive growth of Rajasthan.

This is a vision actively propelled by **RajPlast** through strategic industry integration and sectoral promotions by fulfilling the following key objectives...

"Fostering Growth. Enabling Industry. Powering Possibilities."

Sourcing Hub

Boosting India & Rajasthan's global presence

Circular Economy

Embracing recycling & sustainability, contributing to India's Net Zero target

Sectoral Promotion

Fueling growth of allied sectors like Toys & Sports Goods, Defense, EV, Medical Devices, Solar, Agri, Logistics, PCPIR and Machine-making, etc.

Research & Innovation

Promoting best Manufacturing and Trade practices, increasing competitiveness of plastic sector.

Global Collaboration

Enabling JVs, mergers & global Tie-ups

Value Chain Showcase

Unifying the Plastics Ecosystem to Accelerate Tech-led Growth

Knowledge Exchange

Uniting experts, regulators, policy makers & industries

Infrastructure Ready

Highlighting the growth-ready infrastructure availability.

Business Opportunities

Opening doors to trade and investments through strategic tie-ups, and forward & backward linkages.

Product Profile

Raw Materials & Composites

- Conventional Plastics, Green Composites, Nano Composites
- Bio-Degradable, Oxy-Degradable, And Bio-Based Materials
- Fibre-Reinforced And Wood-Plastic Composites (WPC)

Machinery & Processing Equipment

- Injection Molding, Roto Molding, Recycling, Extrusion & Rubber Molding Machinery
- Thermoset Processing Units And WPC Manufacturing Systems
- Moulds, Dies, And Tool Room Solutions

Exhibitor Profile

Consumer & Utility Products

- Toys & Sports Goods, Hand Tools & House Hold Products.
- Furniture, Packaging, HoReCa (Hospitality Industry Products).
- Stationery And Educational Products

Infrastructure & Agriculture Products

- Sprinkler Systems, Drip Irrigation, Pipes & Accessories.
- Plastics In Agriculture, Horticulture, Cold Chain, And Construction.

Industrial & Advanced Application Products

- Electricals, Electronics, Packaging, And Medical Devices.
- Automotive Parts, Aerospace, Aviation & Defence, Ammunitions, Telecom, Solar & Shipbuilding Components.

Institutions & Services

- MSMEs, State Government, Government Bodies, Trade Journals, Startups & Academia.
- Research & Consultancy, Training Centers, Tool Rooms, Testing & Quality Control Labs

Visitor Profile

Industry Professionals & Decision Makers

- CEOs, Engineers, Technocrats, Scientists & Young Entrepreneurs.
- Marketing Professionals, Consultants, Procurement Heads, Product Development Professionals.
- Academia – Faculty And Students.

Business & Trade Representatives

- MSMEs, Start-Ups And Emerging Enterprises.
- Manufacturers, Importers, Exporters, Traders, Recyclers.
- Raw Material & Consumable Suppliers.

Institutional & Government Delegates

- Policy Makers, Diplomats, And Foreign Commercial Corps
- Industry Associations, Trade Delegations, And Chambers Of Commerce.
- New Investors And Plant & Machinery Users.

About PMAR

Plastic Manufacturers' Association Rajasthan (PMAR) Was Formed in 1983, With Young Enterprising Industrialists In The Plastic Manufacturing Sector For Facilitating Sustainable Development Of The Plastic Industry And Emerge As One Of The Main Forums Of The Plastics In The State. Over The Past Four Decades PMAR Has Been Instrumental In Developing The Plastic Sector As One Of The Thriving Sectors Of Rajasthan With More Than 10,000 Units Working With A Turnover Of Around 8,000 Crores Providing Direct And Indirect Employment Opportunities To Over 2 Million And Significantly Contributing To The Exchequer And Development Of The Other Industrial Sectors Of The State.
