

The Automotive Component Manufacturers Association of India ([ACMA](#)) is organizing the – iAutoConnect (8th edition) in physical mode (Reverse Buyer Seller Meet) with the Support of the Ministry of Commerce, Government of India, a one of its kind event, in November 2023 in New Delhi.

The objective of iAutoConnect-Reverse Buyer Seller Meet is to provide ACMA member companies a platform to showcase their product offerings and manufacturing excellence to further enhance component exports globally. The event is expected to pitch over 150 Indian Auto-component Suppliers and over 150 International Buyers, and there would be B2B Meetings.
